CHAPLAINCY RECOGNITION

ANNOUNCEMENTS

GOD'S TITHES AND OUR OFFERINGS

We'll only understand what's going on in these next few moments if we see giving as a true and honest act of worship. If we consider it to be merely an addendum to singing and preaching, or just a fund-raising moment, then we're missing the biggest part of what we're about to do. In giving, we're willingly saying to God, "You are the Lord of even our finances and we trust You to provide for us whatever you think best." Giving is one of the most intimate acts of worship in which we engage. Let's give to our faithful God with praise in our hearts.

God is so glad you've set aside this time to worship Him. He inhabits the praise of His people. Please also take a moment now to silence all electronic devices so that the Lord might have opportunity to freely speak to all.
