

How We Can Help

Many of us involved in Bridge Builders have gone through similar circumstances; you are not alone.

Usually we find that a financial need (money to pay the electric bill, rental money to pay a landlord, a few groceries for the kids) has brought people to us. We have been able to help them most of the time with that need. But we have found, too, that there are often other problems as well.

Related problems may be:

- Difficulty establishing financial priorities
- Problems in locating a job
- Personal character flaws
- Relationships with others
- Personal inner conflict
- Personal addictions
- Weak or non-existent relationship with God

We take seriously God's call to us, as we serve those who come in to see us. He has called us to *"always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience..."* I Peter 3:15-16b

Areas of Assistance

- Monetary assistance: for utility bills, food, and other basic needs
- Employment opportunity awareness
- Counseling: financial management, family, and spiritual
- Community and church programs for children, youth and adults

Bible study groups related to various aspects of life

What is Bridge Builders?

Bridge Builders is a ministry of Wilmore Free Methodist Church, a body of followers of Jesus Christ who have sensed a call of God to be of help to those in need in the Wilmore-High Bridge communities. Our church family's desire is to provide help in deliberate, purposeful, holistic and healthy ways. When we help others, we are helping Him. That's His call to us...as individuals and as a church family.

We know how life has a way of "knocking us down" at times. Most of us have taken a solid "hit or two" in our lives. Some of us have gotten up more quickly than others.

What We Pray for You

Where there is pain,
we pray for peace and mercy.

Where there is self-doubt,
we pray for renewed confidence.

Where there is exhaustion,
we pray for renewed strength.

Where there is fear,
we pray for courage.

What You Will Need To Do

Our desire is to work with you on the problem or problems you face. We will not enable you, but we will be pleased to partner...and build...with you, encouraging and helping you to find solutions to your problems. We highly respect the confidentiality of what we share with each other.

When you decide that you need help and are willing to partner with us, you need to:

1. Initiate a call to our Bridge Builders Ministry at 859.858.0074
2. Make an appointment for a Tuesday morning or afternoon interview. You will be asked some questions to see if you meet necessary requirements.
3. Come in for the interview. You will spend time with our receptionist, providing essential information to help us assess your situation.
4. You will sit down with an interviewer who will go over your situation with you, share briefly from God's Word, and set up some steps to help work through your problem(s).
5. Plan on approximately one hour for your visit with us. You can expect us to provide you with some immediate relief.

We will do our best to make you feel comfortable while you are with us. A waiting room is available for others who may come with you.

Who Will Be Helping You?

We have people in this ministry from various backgrounds and skills, all of them with a God-given love and desire to help you. In fact, you may have even seen some of us around the 40390 area. We're your neighbors. Many of us have been "helped" by others at one time or another in our own pasts. Please feel comfortable enough to come in and meet us!
