Local Missions

We are called to participate in intentional personal and corporate outreach efforts within our national borders and especially within our local community. We have sensed a call of God to be of help to those in need in central Kentucky. Our church family's desire is to provide help in deliberate, purposeful, holistic and healthy ways directly or indirectly through established local ministry organizations. When we help others, we are helping Him. That's His call to us as individuals and as a church family.

Global Missions

In response to what Christ has done for us and his command in Matthew 28:18-20, we are both obligated and honored to "go and make disciples of all nations." The World Missions team focuses on ministries beyond our country's borders. We work to educate the members of our congregation about our missionaries, their work, and their needs. Our goal is to challenge them to engage in world ministry by providing financial and prayer support to our missionaries, by volunteering to serve on mission teams, and by considering whether God may be calling them into full-time missions.

Unfinished Business

"The harvest is plentiful but the workers are few." Matthew 9:37b

Colleen (Fitch) and Brent Weaver are OMS missionaries serving in Kiev, Ukraine. Colleen facilitates disciple-making through theological education in her role as the

OMS coordinator of Leadership and Discipleship Development. Brent primarily works in making disciples among Ukrainian young adults with the aim of developing a network of multiplying churches. Colleen is also studying towards her Ph.D., and Brent serves as a mentor for a church planting team in Estonia.

Eduardo and Cindi Angelo are FMWM missionaries serving in Portugal. They have planted and pastored two churches near Lisbon since 2000. They focus on planting pioneer churches and reaching the lost, then training new Christians and releasing them to be leaders of small groups and future churches.

Portugal Trip: Wilmore FMC is planning a short-term mission trip to Portugal next spring (March 29 through April 7) during which team members will work with the Angelos. For more information, be sure to attend the Portugal trip seminar offered during the Sunday School hour Oct 14 and again on Oct 21.

Supporting Home and World Missions Financially

The home and world mission outreach ministries of the Wilmore Free Methodist Church are funded through designated offerings. To help support these mission programs, the church has implemented a matching funds program. For each dollar received in designated offerings, the church contributes an additional 75 cents from the general budget. For example, if you contribute \$100 a month to missions, the church will contribute an additional \$75 from the general budget. In effect, your \$100 gift becomes a \$175 investment in mission outreach. Please consider becoming a regular contributor to the missions programs of the church. Just indicate "Missions" and the amount of your contribution in the memo section of your check or on your envelope.
