**Creative Access Region** WFMC heavily supports one family who lives in an area where the Gospel of Christ is not welcome. Pray for safety for them and their children as they study language, teach English, and build friendships.

WFMC also supports organizations, including Evangelism Resources, Moscow Evangelical Seminary, the Philippines Community Care Center, and Free Methodist World Missions (country shares) with both prayer and finances.

## YOUR MISSIONS TOOLBOX

This brochure has been prepared to help you be involved in the WFMC World Mission ministry. Think of it as your toolbox. As you use it, you can help our missionaries to be more effective in the areas where the Lord has called them to serve.

Place this toolbox where you pray so that when you pray, you can remember our missionaries and their families. Pray for one family a day or pray for all of them daily, but please do pray for them. If you want to be on their mailing lists, write to them using the email addresses provided. Let the pictures remind you to designate your mission giving each week when you make your contributions to the church.

If you would like to be even more involved, let the WFMC World Mission Team know. Perhaps you would like to serve on the team or even go on a short-term mission trip. Contact Steve or Lorrie Liversedge at [lorrie.liversedge@gmail.com](mailto:lorrie.liversedge@gmail.com).

Whatever you do, please use your toolbox. Wear it out! The more you use it, the more the Lord can bless around the world.

### IMPORTANT NOTICE

This brochure is intended for personal prayer use only. Because some of these missionaries live in creative access countries, please DO NOT post any of this information or these pictures in any electronic form.

*Remember to be discreet when emailing anyone in a creative access area. Do not mention God, Jesus, prayer, or anything "churchy." Our missionaries lives may depend on your discretion in this matter.*
