NSC Kid's Camp LIT Contract

Being chosen to serve as a member of the NSC Kid's Camp LIT Team is an honor; it is an honor that comes with great responsibility. Responsibilities can consist of anything from washing dishes to helping guide students through spiritual breakthroughs. Being aware of your students physical, emotional, and spiritual wellbeing is the most important duty of an LIT. By taking on such a heavy task, there will be daily meetings and events that the LIT Team must attend so to set aside the weight of the day and be carried by yourself. Daily meetings and events will provide training and a time to discuss the struggles and victories of the day. Just as your students are expected to be present and punctual to all scheduled events, by doing the same you are setting a great example! Furthermore, all absences from scheduled events or meetings must be approved by your supervising counselor and a camp director.

Requirements of a New South Conference LIT:

- A vibrant and growing relationship with Christ.
- A sincere desire to work with children.
- A genuine desire to be apart of a leadership team.
- A commitment to lead by example.
- A willingness to accept responsibility.
- A pledge to participate in all camp activities.

Consequences:

- Behavior **not aligned** with the New South Conference LIT requirements, or **unapproved absences** from any organized functions or meetings may result in early dismissal from the LIT Team.
- Early dismissal, for any reason, will be at the expense of the LIT's parent or guardian who will be required to provide transportation from Eagle Ridge Retreat Center at the time deemed appropriate by the camp directors.

Contract:

I _____ understand the expectations, responsibilities, and duties of a New South Conference LIT, and will comply with these to the best of my ability. I will be engaged with students and fellow staff at all times; and I will treat Kid's Camp 2019 as a time to disconnect from social media and my electronic devices so to be completely present with God, students, and staff.

Applicant Signature: _____ Date: _____

I _____ understand the above expectations of my child and the consequences that will result if expectations are not met.

Parent/Guardian Signature: _____ Date: _____

**In the rare case a student is relieved of the responsibility as LIT due to unmet requirements, immediate extensive communication between the camp director and parent/guardian listed above will take place. The environment of the camp and relationships that are built daily can be fragile; therefore, it is essential that a pick-up plan convenient for all students and staff involved in the dismissal is coordinated.

**In the rare case an LIT asks a parent/guardian to come and pick them up before their responsibilities for the week are completed due to unplanned circumstances, we ask the parent/guardian contact the camp director immediately. An individual who requests to leave camp may not express that request to their directors, therefore we would ask that an LIT not be removed from the camp without parental notice being given to the camp directors.
