"...but they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint." Isaiah 40:31

I first attended camp at Eagle Ridge in Bowling Green, KY when I was a small child. My family stayed in our small camper, parked next to the tall tree at the fork of the drive that leads down to the pavilion. At that time, the only building there was the small diner that seated about 30 people. It also held the only restroom facilities on the grounds with one shower. We gathered for worship under an old hot army tent.

As the years went by, the grounds were developed, adding a pavilion for worship, dormitory, cabins, a new dining hall, and the most recent, a game pavilion. Along with the growth of facilities, Eagle Ridge has grown through the number of churches, youth groups, families, kids, teens, and adults who call Eagle Ridge theirs.

In those early days, the men and women who helped clear the ground, dreamed about young people coming to Eagle Ridge, experiencing camp, playing games, building lifelong friendships, and surrendering your lives to Jesus. They dreamed of you, even though they didn't know your names. And they prayed for you. And many of them still do.
