## WORSHIP IN GIVING

From the very earliest days of the Church, giving was a part of corporate worship. They gave for the support of their leaders, for sending the good news of forgiveness out into their world, and for the benefit of the poor. Through the centuries, the styles of corporate worship have changed, but the content has not. As we give to the work of the Lord this morning, either electronically or through the offering boxes as we leave the sanctuary, we join our brothers and sisters in faith, through the ages, in the perpetuation of the good news of Christ.
