

In-Person Worship/Events Plan.Version 6.0

Updated, May 16, 2021

**Regarding In-Person Worship:**

In-person worship services continue with two services, 8:30 and 11:00 each Sunday morning, meeting in the Sanctuary and room B200-201 (overflow.)

Child care through age 3 is available during all church functions.

Children's Worship (age 4 - grade 3) is presently available during the 8:30 worship only, but will be available in both morning services beginning in June.

Due to revised CDC guidelines, beginning May 16, all gatherings will be mask optional, with the exception of children's ministries. Leaders in children's department are asked to continue to wear masks while in small room / close contact settings.

Rooms will be returned to more "normal" settings in the weeks to come, as need arises.

Group and choral singing / rehearsals, as well as the full slate of church ministries, will plan to resume in summer/fall, 2021.

Sunday Evening worship service is slated to begin again on September 12, 2021.

Please note that these precautions in no way guarantee a "safe" environment; there is always a level of risk in gathering and interacting with other persons.

The 8:30 service will continue to be livestreamed on the WFMC YouTube channel and kept there for ongoing viewing.

**Regarding Sunday School/Youth and Adult Bible Fellowships and Wednesday Night Programs:**

The SS/YBF/ABF groups / ministries continue in-person at 9:45a. All have now returned to in-person meetings, but some continue with Zoom components.

The Wednesday Night groups / ministries continue in-person with ministries for all ages.

**Regarding Church Social Events:**

*All-church* social events and group social events will begin again according to their former schedule and normal protocols.
