

# W. F. M. YOUTH

## What are we doing? \*Sunday Evening\*

Afterglow is a time of fellowship for the youth on Sunday evenings from 7:15-8:45 typically after Sunday evening service.

What does Afterglow have to do with Jesus?

Well, Jesus was definitely a proponent for groups gathering together to eat! It is also important because it gives youth a safe space to hang out. The more the church creates safe spaces for teens, the less they will seek spaces that may not end up being safe. It is an easy thing for a teen to invite a friend to which could open the door for other seeds to be planted. It is a way to show the youth that many adults care about them enough to let them take over their houses or feed them yummy food!

## No Phone Zone!

In the coming weeks WFMY will be putting in place some "No Phone Zones".

### What does this mean?

Whether by visual sign or verbal communication some of our spaces (in and out of the church building) will be designated as "No Phone Zones". Phones should remain put away in these spaces.

### Why the zone?

- ◆ To eliminate distractions.
- ◆ To foster relationships.
- ◆ To develop healthy habits.

## 30 Day Prayer for Parents

The link above provides resources for parents to help them engage in prayer for their children. There is a sign up to get a daily email with a prayer for your family, printable prayer cards, and even a prayer workbook you can purchase. There are also other resources on the main page (mostly for adult women) to foster spiritual growth and that could be used also for outreach.

## Table Talk:

I plan on showing a video on Wednesday evening and having a discussion driven around it. The link is here if you would like to watch and discuss at home as well.
