Greg and Tonya have recently joined our church family and are passionate to serve! They have lived different places, but landed in Nicholasville in 2019. Greg was in the US Air Force for 3 years and spent 24 years as a surgeon. Tonya has a love for fashion and has been in retail since she was 16. Their story of how they ended up together is long one and I am sure they would love to tell you all about it! Currently Greg helps care for his parents and Tonya is a manager at White House Black Market in Lexington. They went to church as children, but coming to WFMC has reignited their faith! They have 2 grandsons who they love to spend time with and 2 doggos. Please take the chance to get to know them better!

What are we doing? *Tuesdays*

Tuesday mornings we host Youth Prayer Breakfast. We have a time of fellowship, a time to eat, and a time to pray for one another together and in small groups. I encourage you to speak with your teens about the importance and power of prayer and encourage them to join us for this time. We provide rides to school! Doors are open at 7:15 am and meal is served at 7:45.

Table Talk:

An easy way to engage your teens and hopefully get more than a “it was fine” about their day is to talk about your highs and lows of the day or week! Everyone can participate and it is a great way to celebrate or empathize with each other and find some common ground!
