**Sunday In-Person Worship:**

Once again, many of us will worship together tomorrow morning at 8:30. Please remember these details:

- Please review the updated [Quick Facts and / or Full Details / FAQ of how this will work by clicking here.](#)
- Worship begins at 8:30 a.m. Please plan to arrive 5-15 minutes early for seating.
- Please use care in observing the distancing guidelines between family units in entering and exiting.
- There is growing evidence among the medical profession that the wearing of masks is helpful in slowing the spread of this virus and wearing them is part of the Health Department guidelines. We would strongly encourage the wearing of masks, at least on the way in and out of worship.
- Avoid awkward situations by not extending hands for greetings.
- Due to the number who have requested the sanctuary, we really need those who have not let us know you're coming and those who indicated they would be willing to use either space to plan to sit in the Building C Great Hall. Sanctuary crowd, enter through the main doors of Building A. Great Hall crowd, enter through the Building C doors (by the playground.)
- In the sanctuary, we can maximize seating if families of 5 persons or more will sit in the center section and family units of four persons or less will sit in the outer, side sections. Also, please sit on the ends of the rows, leaving 3 seats between yours and other family units.
- Please note that, although we're taking many precautions in the interest of safety, there is, of course, no way to guarantee a "safe" environment, and that is because there is always a level of risk in gathering and interacting with other persons. The fact is, information about all this is still unfolding daily, the science is not yet a clear guide, and many unknowns may well exist for some time. This statement should not be read as a disclaimer. ☺ We simply want everyone to be as informed as possible because we respect and care about one another.

**WOW Online VBS – Update:**

THE WOW VBS live stream will be broadcast each hour on YouTube and Facebook. Below are the links. **Baby Bottle Blessings (From Assurance Pregnancy Help Center):** This Father's Day, we pause to give thanks for fathers and for fatherhood. We praise God for the opportunities we have to serve fathers and support, equip, and encourage them. Father's Day is typically the end of most of our supporting churches' Baby Bottle Blessings campaigns. Our goal for this year's campaign is \$135,000, and going into the final Sunday, we are far from goal, having in hand only \$27,000.00. If you haven't yet participated in this year's Baby Bottle Blessings campaign, [please fill your bottle from a distance today by clicking here.](#)

**Wilmore Independence Day Parade:** As of now, the parade is still a "go" and we are hoping to include the Wilmore Lawnmower Brigade...and to do so, we need the help of all "men with mowers!" All you need is: 1) a good sense of humor, 2) a little coordination and, 3) a push lawnmower (and the last two "needs" are optional...we can loan a mower.)

There are only two rehearsals: Thursday and Friday, July 2 and 3, 8:00-9:00 p.m. at Kinlaw Park (Kinlaw Drive in Talbott) It would help if you could make both of these. The parade is on Saturday, July 4th at 10:00 a.m. If you'd care to join the Brigade, please [click on this link](#) and answer a few quick questions...and pass the invitation along to friends who may be interested.

Peace and Blessings, Sisters and Brothers,

Pastor Daryl

Can be red, yellow, black or white...  
No matter what their color,  
All are special in God's sight!

Yogurt raisins to remind us

Some are young with faces smooth,  
And some are old with wrinkled skin...  
Jesus loves everyone

SweetTarts to remind us

Some are sour, some are sweet...  
Just remember to be kind  
To everyone you meet!

Jesus said to love our neighbors,  
Love them one and all!
