Church Directory Photos This Sunday and Next – October 4 and 11 – Taken after each morning worship service in the church foyer. We'd love to include you in the new directory with an updated picture. No appointment necessary. It's all very quick and painless and is so helpful to our church family!

WFMC Women's Circles Circling the wagons to strengthen one another in our journey with Christ! WFMC introduces a new women's ministry for fellowship, encouragement and connection. Each "circle" consists of 6-8 women who seek strong relationships with other women and opportunity to grow in Jesus. Especially needed are women who will host a circle in their home (or at the church) and/or guide the discussions. Hosts choose time, date, content and frequency of meetings, then after the leaders are chosen, group details will be publicized for participants to choose group/schedule/topic that works best. Interested in leading or participating? Contact with Eileen Wright or the WFMC office.
