Learning to Lead...a four week long Leadership Development Class at WFMC begins Wednesday night, Sept 30, in room B101 (with an online component as well) from 7:00 to 8:00p. This class is open to anyone interested in learning leadership or boosting their effectiveness as a leader. Why learn leadership? Because every church needs leaders, every ministry can be more vital, and every church member can "Learn to Lead." (Note: this class is part of a Baylor University Doctor of Ministry student's final project, so this is a learning opportunity for you and a way to serve. You will be helping a graduate student pilot his study program on leadership and discipleship. For more information or to register contact: Chris Coppennoll, Pastorchrisoppennoll@gmail.com, 518-745-9912

Please Note That A Brief Society (Membership) Meeting will be held tomorrow evening at 6:30p in the Sanctuary. All members are invited to attend and help elect our church leaders. The Nominating Team's officer ballot is attached and is also available on Sunday at the Welcome Center. This will be an abbreviated meeting, hearing brief reports from the pastors, reviewing finances, and electing officers. If you are uncomfortable meeting in person, you may submit a signed ballot to the church office any time prior to the meeting.

And Finally, in the Interest of Keeping Our Sense of Humor About All This:

Peace and Blessings, Sisters and Brothers, Pastor Daryl
