

Happy Saturday WFMC Family!

**Sunday Morning Worship Service (live-stream becomes live at 9:30 a.m. Sunday morning.)**

**Change In Worship Times** Tomorrow, December 20, we switch our in-person worship gatherings to 9:30a and 11:00a, since all Sunday school classes, YBFs and ABFs begin a three-week sabbatical. If you do attend in person, please wear masks at least while moving and singing, being careful to keep social distancing protocols in place.

Again, for our in-home worshippers, the live-stream begins at 9:30 for the next three weeks, December 20, December 27, and January 3.

**This Week's Worship Folder**, including song-sheets for our in-home worshippers, is attached to this e-mail.

**A Word About Christmas Eve:** Due to space considerations with regard to distancing requirements, we thought it wise to offer four Christmas Eve services this year - 4:30p, 6:00p, 7:30p and 11:00p. The three earlier services are the same, each a service of carols, Word and candlelight, considering Jesus as the greatest gift of Christmas. The 11:00 service includes carols, candlelight and Holy Communion.

Nursery/child care provided through 48 months for the 4:30 and 6:00 services only.

There will be a live children's nativity just outside the Building A doors between the 4:30 and 6:00 services.

\* For the sake of your planning, at this point, all the services appear to be rather equally attended, with the 7:30 service being attended by the fewest. There is still room in all the services for more attendees, per the responses submitted to the office.

The 6:00 Christmas Eve service will be live-streamed for our in-home worshippers, and also the B200 overflow seating will be open for the 6:00 service only. The Christmas Eve worship folder will be sent out on December 23.
