Please Remember to Wear Masks inside church facilities when you are within six feet of other people, and also while we are singing, if you choose to sing. Many of our older and immune-compromised population are depending on us following these protocols so they might safely worship in person, especially with cases rising in and around our county.

Proclaim Your Gratitude! Once again for Thanksgiving this year, let's all note a few things we're thankful for on the cards below and place them in the basket in the foyer or e-mail them back to the church office. We then hang them for all to read and join in giving thanks to God.

Looking for a Place to Serve Over the Thanksgiving Holiday? The Wilmore High Bridge Community Service Center is looking for some volunteers to paint shelves in the Thrift Shop on Tuesday, Nov 24 and Friday, Nov 27 (9 a.m. to 5p.m.). If you would like to join this project (for even part of a day), please contact Koby Miller at csc40390@gmail.com.

Christmas Eve Worship Due to distancing space limitations, we are anticipating having four Christmas Eve Worship Services this year, timed at 4:30, 6:00, 7:30 and 11:00, with the 11:00 service being different as in years past - including Holy Communion. There would be nursery care in the 4:30 and 6:00 services only, a video Children's Time, and a Children's live nativity at the end of the 4:30 service and lasting into the beginning of the 6:00 service – outside the front doors for people to observe on their way out / in. This is a challenge to plan, because what other area churches do, or don't do, makes an impact on what happens as well. With all that said, and fully realizing things could change, you could help by e-mailing the church office to let us know which service you and your family / guests would plan to attend, including an approximate number in your group.

A Few Places to Serve:

- 1) Children's Worship Junior (CWJR) during Sunday morning worship services.
- 2) Ushers during morning worship services.
- 3) A couple tech-interested persons who would receive some training to become camera operators.
- 4) Van drivers to help transport people to worship as the weather turns colder.

If you're interested in any of these places of service, [e-mail the church office by clicking here](#) and note "CWJR," "Ushers," "Vans," or "Cameras."

Please Keep the Youth Pastor Task Group in your prayers as they move forward in the process of identifying a new Youth Pastor, and pray for Pastor Andrea in her plans and fundraising.
