Dear WFMC,

In the Pastor's Update last Friday, I wrote that groups meeting on the church campus were limited to ten persons. That was my misunderstanding of the governor's guidelines for public gatherings / venues. His actual request was for no more than 25 persons, in a room large enough where appropriate social distancing can occur, of course. So please note the following revision of the gathering guidelines on the church campus:

We will worship via the Virtual / Pre-recorded service format for the following two Sundays, November 29 and December 6, planning to return to in-person worship on December 13.

The church campus will be closed to all events to groups of more than twenty-five persons from Monday, November 23 through Friday, December 11.

The office will remain open from 8:30 to 1:00 daily.

Sorry for the confusion.

Pastor Daryl
