Hello Wilmore FMC Family,

May the Lord encourage you on this, His day.

Let's keep praying for each other and for our world.

Great news from Dave Coulliette - his fever appears to have broken and he's on the upswing.

Below you'll find a good word about prayer from Margaret Dargan, Prayer Team Leader.

Finally, should this "quarantine" last for another few months, a couple of you made this suggestion as to how we might do baptisms this year while social distancing:

Don't let the circumstance steal your sense of humor. Keep laughing and smiling. The Lord is with us and is at work, doing something great in our world and in the heart of the person next door to us. Watch for the opportunities these days bring to be Christ in our world.

Watch and Pray!

In these uncertain days, we as God's children should be spending more time in prayer. "Cast all your anxieties on Him because He cares for you." 1 Peter 5:7. Christ didn't teach his disciples to preach, but He did teach them to pray. Leonard Ravenhill stated, "No man is greater than his prayer life...The ministry of preaching is open to few; but the ministry of prayer---the highest ministry of all human offices---is open to everyone." May we not fill our days with trivial tasks or entertainment, but recognize that God can use these days to work in the lives of those who need salvation if we intercede. May we take extra time to be in the Word and pray.

Jesus showed us, by His example, that prayer is essential. We are in a spiritual battle. "For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms." Ephesians 6:12. Prayer is the key to victory. God can use these days to draw people to judgment day honesty and cause them to seek Him. "The Son of Man came to seek and to save what was lost." Luke 19:10 Jesus said to "ask the Lord of the harvest to send out workers into His harvest field." Luke 10:2 In order for there to be harvesters, we must pray and then be willing to do what God shows us to do. Prayer is essential to the harvest. May the Lord help us to seek His face during these days and trust Him for His Will to be accomplished.
