INTRODUCTION

We are pleased that you are interested in using Wilmore Free Methodist Church (WFMC) for your wedding and we look forward to sharing our facilities with you.

Our goal is to provide the support personnel and the setting which will uphold the sacredness, the beauty, and the joy of a Christian marriage ceremony.

We will work diligently to enable you to experience your wedding as a true spiritual celebration. We will do our best to enhance the consciousness of God's presence, both in your mind and in the minds of those who share in the celebration with you. By listening and providing careful guidance, we hope to serve you in the Spirit of Christ.

Christ "adorned and beautified" a wedding with His presence at a place called Cana of Galilee. We hope that you and your guests will experience His presence at your wedding celebration, as well.

The Christian and Principles Regarding Marriage 2011 Book of Discipline The Free Methodist Church, USA

At creation God instituted marriage for the well being of humanity (Genesis 2:20-24; Mark 10:6-9). Marriage is the joining of one man and one woman into a lifelong relationship which the Scriptures call "one flesh." Sexual intercourse is God's gift to humanity, for the intimate union of a man and woman within marriage. In this relationship, it is to be celebrative (Hebrews 13:4).

Marriage, between one man and one woman, is therefore the only proper setting for sexual intimacy. Scripture requires purity before and faithfulness within and following marriage. Likewise, it condemns all unnatural sexual behavior such as incestuous abuse, child molestation, homosexual activity and prostitution (1 Corinthians 6:9; Romans 12:6-27).

We hold that marriage can only be the union of "one man and one woman" who have made a public covenant and vow before God and the state (Genesis 2:20-24; Mark 10:6-9). , it would be a breach of the doctrine of our church for ministers or members of the Free Methodist Church to conduct the marriage or blessing of a union between a same-sex or same-gender couple. In light of our beliefs, ministers and members of the Free Methodist Church shall not perform marriages or unions of same-sex or same-gender couples.

We hold that our congregations are stewards of the church property. Performing a marriage or blessing between a same-sex or same-gender couple in any Free Methodist Church building or on any Free Methodist property would be a violation of consecrated Free Methodist property. Therefore, such blessings or marriages may not be performed at Free Methodist churches or on Free Methodist properties.

Further, we believe that marriage the Free Methodist Church deems doctrinally acceptable, legal and appropriate should be safeguarded and supported by both the church and society and should be formalized with public vows. It is not enough for a couple to live together in private commitment; we believe that they are to covenant before God and the state.

Wedding Ceremonies at WPMC

A Christian wedding is first and foremost an occasion of Christian worship and should be approached with this in mind.

Christian worship is primarily focused upon God. Adoration of God, praying to God, knowing God, and communicating with God.

We are called to worship God in every area of life, and since God has ordained marriage between one man and one woman, it is appropriate that marriage begin in His presence, Christian weddings, like all worship experiences, are to be conducted with integrity.

With this in mind, please understand:

1. The officiating pastor is the primary leader of the service.

The couple to be wed will consult with the pastor about items to be included in the service, such as readings, appropriate music, vows and other details.

2. The WPMC pastoral staff reserves final authority to approve or disapprove wedding details.
3. The service must be submitted and approved no later than 3 weeks prior to the wedding. (If possible, it is to the couple's advantage to submit complete wedding plans to the WPMC pastoral staff even earlier!)

Every effort must be made to insure that the service is done in a manner that glorifies God.

For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh.

Ephesians 5:31

Your Church Wedding Host

The church has a staff representative who will assist the bride and groom in preparation for the wedding. WFMC requires the wedding host to be present at all rehearsals and weddings.

The wedding host is not a wedding coordinator but rather is the onsite church representative. WFMC strongly recommends the use of a wedding coordinator or having a family member serve in this capacity.

Rehearsals

Please be aware that only one and a half hours will be allowed for the rehearsal, from arrival to departure. For this reason, it is **very important that the entire wedding party be on time.** 😊

- * Please have all participants arrive 15 minutes before the rehearsal time.
- * Please remind the attendants and other wedding participants that a rehearsal is greatly hampered if everyone involved in the wedding is not present **and** on time. The bride and groom will be responsible for preparing any attendants who miss the rehearsal.
- * Make sure that everyone knows the exact location of the church, and allow plenty of travel time. You may wish to mail reminder cards to all participants two weeks before the wedding.
- * Members of the wedding party are to be reminded that the rehearsal is conducted in a holy place and should be respected as such. Wedding parties and guests should dress and act in keeping with a sacred place. Short shorts, halter tops, etc. are not appropriate.

The wedding rehearsal will be conducted by the officiating pastor or his/her designate.

Remember the WFMC officiating pastor is the one in charge of directing the rehearsal, not the wedding coordinator or any other party. The wedding coordinator's responsibility is to support the pastor in facilitating an efficient rehearsal and wedding. If you are not using one of the church pastors, please be sure the officiating pastor's preference is clarified.

Pre-Marital Mentoring

WFMC requires engaged couples to have pre-marital counseling or mentoring. WFMC provides opportunity for engaged couples to participate in a mentoring process with a married couple in the church.

Each WFMC mentor couple has been trained in the mentoring process and will provide a relaxed, enjoyable and informative pre-marital mentoring experience.

If the couple wishes to pursue another certified program, that option can be discussed when meeting with the senior pastor.

For more information about our mentoring program, please visit the website: www.prepare-enrich.com

What to Expect with WFMC Pre-Marital Mentoring:

1. After the wedding reservation has been received and the couple has subsequently met with the senior pastor, the couple will receive an email invitation to participate in an online pre-marital inventory.
2. Once the inventories are processed, the results are sent to the Pre-Marital Mentoring team and a mentoring couple assigned to the couple.
3. The mentor couple will contact the bride and/or groom to arrange a meeting and begin the mentoring process.

The bride/groom should allow at least eight weeks to complete the mentoring process.

The Ceremony

As stated earlier, a Christian wedding is first and foremost an occasion of Christian worship and should be approached with this in mind.

Vows: Think carefully before departing from the two thousand year old tradition of using sacred vows in your marriage ceremony. These basic wedding vows have been tested and found adequate through centuries of ceremonies.

Music and Musicians: Music should be chosen in accordance with the nature of a Christian worship service. Your wedding is a witness to your family and friends. **Remember**, WPMC pastoral staff reserves the right to disapprove the use of any music that is not conducive to, or promoting, a Christian worship service.

Attendants: The number of attendants selected by the bride and groom is at their discretion. The primary purpose is to give witness to the vows that the couple makes before God. A minimum of two attendants are required to sign the necessary legal documents following the ceremony.

Bulletin: WPMC does not prepare bulletins for weddings. We do encourage good taste in producing the bulletins.

Post Ceremony Celebration: NO rice may be used. The use of Bird seed and bubbles may be used outside.

Food and Drink: These are **NOT** permitted in the sanctuary or foyer area before, during, or after the rehearsal and wedding ceremony.

Media & Production Support

All sanctuary weddings require an audio technician. *Only the church staff can operate the equipment and move sound or musical equipment.*

The church livestream / video recording equipment is only available in the church sanctuary.

All media used during the ceremony/reception such as CD/DVDs, pictures or video presentations must be given to the wedding host at least two week in advance of the wedding.

Photographs

- NO FLASH PHOTOGRAPHS may be taken during the ceremony. The “ceremony” begins when the grandparents are seated.
- *The photographer should remain stationary and unobtrusive during the ceremony*, remembering that this is a public worship time and not a production. Those attending should be able to focus on the service without the distraction of a photographer, as well as to minimize distraction to the minister, couple, and musicians.
- Photographers are **NOT** to stand on the sanctuary chairs.
- If the photographer wants to set up a backdrop for your photography session, please let the Host know well in advance.

If you plan to have photos taken before the ceremony, please begin one and a half hours before the wedding finishing a minimum of 45 minutes before the wedding begins. The wedding party may return to the sanctuary for photographs for up to 30 minutes after the ceremony. Please inform the wedding host regarding your schedule for photos.

Videos

Videotaping of the wedding ceremony by an official videographer is permissible. The wedding host should be informed at least two weeks in advance of these plans. The following guidelines will apply:

- Any videotaping should be done from a stationary position that has been discussed and approved by the wedding host and the officiating minister.
- The Videographer is not to walk around during the ceremony.
- The aisles must be kept clear.
- The recording should be silent and not require lighting changes or lighting other than the normal sanctuary lighting.
- Microphones should be placed near the camera so the microphone cable does not present a walking hazard, unless technology is being used.

Videographers, if they have never taped a wedding in this church, should make every effort to be present at the rehearsal to acquaint themselves with the sanctuary.

Sanctuary Set Up / Decor

Plans for the decorations must be approved by the wedding host at least two weeks prior to the rehearsal. Decorating must be done during church office hours (M-F, 8:30-1:00), unless alternate arrangements have been made with the wedding host at least two weeks before rehearsal.

Aisle Runner—a disposable aisle runner is recommended since it can be cut off after it is pulled down the aisle. The church is carpeted so an aisle runner may be optional. The length of the sanctuary from the platform to the back is 72 feet.

Pew Decorations: There are 16 rows. Decorations can be attached with florist pins, ribbon, or chenille wire. **Pew chairs must not be moved.**

A Unity Candle may be used. The communion table may also be used for the placement of the unity candle. If using a candelabra, a protective floor covering must be placed under the candelabra.

Small arrangements may be placed in the windows along the sides of the sanctuary. However, open flame candles may **NOT** be placed in the windows or any area other than the platform.

No adhesive tape or any device which penetrates the surface of the furniture or building may be used to fasten decorations.

Furniture may be moved only by the Facility Administrator — as follows:

- podium and communion table may be moved to allow entrance to the platform.
- altar rails may also be widened to help facilitate movement.
- one row of chairs at the front on either side of the aisle may be removed
- The choir chairs will not be moved
- The bell tables will not be moved
- Certain seasonal decorations will not be removed.

You will need to assign someone to remove all non-disposable items (bows, candles, décor, greenery, etc.) from the premises immediately following the ceremony, including the bride's room and groom's room.

This must be done within 30 minutes of the end of the wedding ceremony. We do not have storage space for the items, and the rooms will need to be reset for Sunday services.
