GO YOUR WAY

Tyler Zweifel

“Carry neither money bag or knapsack, nor sandals; and greet no one along the road”.
Luke 10:4 NKJV

Have you ever planned for a trip? Maybe an overnight quiz trip or a two week vacation to the beach? If you're anything like me, you'll plan what you're going to take. You'll pack and repack your suitcase, trying to squeeze just one more "essential" item in with all of the other "can't live without" items. You may even worry about things like where you are going to stay, if there will be food you like available, or if the bed will be comfortable. It's easy to slip into worrying or obsessing over the details and not being excited for what's to come.

In Luke 10 we read about Jesus' appointment of the seventy-two to be His face in every city and place he was about to go. Jesus gave instructions to the seventy-two on different ways to handle different situations. He told them exactly what to say, the things they were supposed to be looking for, and even warned them about how they may be treated. What I find interesting, however, is what he tells them to bring with them. In verse 4 we read "Carry neither money bag or knapsack, nor sandals; and greet no one along the road". What? No essential items? What about extra money or extra clothing? Can't I at least sit down and write out a list of the bare necessities? Could Jesus have forgotten to tell them to bring more, or was that his whole plan?

Learning to trust Him is something we should be striving to do each day. Jesus didn't send the seventy-two out and want them to be uncomfortable, he wanted them to learn to trust Him and learn about His faithfulness.

He will watch over you and guide you. He wanted his followers to know that when He calls us to do something, all he needs is for us to walk out the door. Is it scary sometimes not knowing what's coming? Yes, it is. But He will provide for us and protect us. He loves us. He is faithful.

Our Dear Friend Alfred

As a youth group, we sponsor a young man through World Vision. His name is Alfred, and he lives in Uganda. \$1 per student per month would more than meet our commitment. Please consider supporting Alfred!

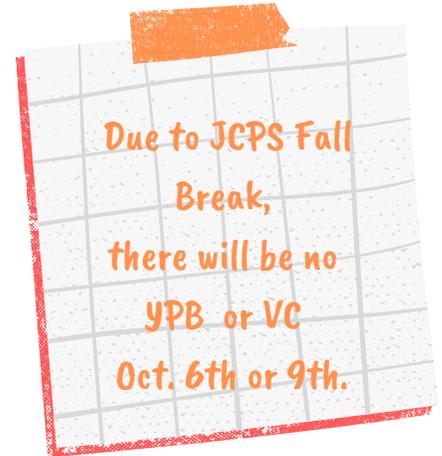

HEALTHY IN YOUTH MINISTRY:

Please note, as a youth ministry, we will continue to follow the **HEALTHY AT WORSHIP** guidelines we have been using on Sunday mornings as a congregation, whenever we meet:

- **Do not enter** the premises if you have felt sick in the last 24 hours
- **Remain six (6) feet apart** whenever possible
- **Wear a cloth mask** whenever you're around others, if it is safe to do so
- **Wash your hands** and use hand sanitizer frequently
- **Do not gather** in common areas
- **Check your temperature** and for any Covid-19 symptoms daily and get tested if you have any symptoms

In addition to the above, you can also expect:

- **We will meet in the gym or outside** (depending on weather) to allow for plenty of space to be together, yet spread out.
- **We will avoid high touch/close proximity games.**
- **When singing, we will wear our masks.**
- **We will avoid gathering in the entry ways** at the beginning and ending of youth group.
- **We will share our hearts, study God's word, and encourage one another in our faith.**
- **As we re-introduce eating together**, we will offer single-serve, individual items (either pre-wrapped or pre-portioned) to reduce the handling of utensil handles by students.
